Good Afternoon Metters,

Just a quick note to thank all of those who attended the picnic and contributed some great food and very tasty deserts! Hopefully those who were unable to attend this year, will make it next year! We had a colorful rainbow of Mets in attendance, coming from far and near! Although it was a hot day, a good time was had by all. We were treated by two sets of momma ducks leading their little duckies to the nearby stream. A cute reminder that summer is here!

Ronnie was once again a great auctioneer for a very successful auction, earning somewhere around \$500 for our Club. The 'top dollar' earner was again the Met whirligig hand made by Jeff Garrett. Judy Kanouse was the highest bidder. Thanks to all who not only contributed great items for the auction but bid on them as well.

Also as announced by Ronnie in a previous email, if you attended the picnic, you had the opportunity to nominate, and vote in, the two Board positions that are required by our Chapter Constitution that will take effect January 1st, 2023. They are President and Secretary/Treasurer. The newly elected President is Mike Dahlberg and Ronnie Bauman was voted in to retain his position as Secretary/Treasurer. The other positions are appointed by the President and require no vote. They are as follows:

Vice President : Marcia Jones
Web Master: Tony Bilotti
Cruise Director: Chris Di Tommaso
Membership Chairman: Kim Dominguez

The President also has the option of appointing other positions as he sees the need.

Congratulations to all.

Mike spoke a few words and thanked everyone for unanimously voting him in. He said one of his first tasks will be to come up with a survey to send out to all members about what they would like our Club to be and do. So here's advance notice for you all to put on your thinking caps to support that effort in the new year.

Tony Bilotti is working hard on our website covering the picnic. Give him a few days but be sure to check it out! I know he'll have some great pictures.

Have a great week...

Marcia
VP/Cruise Director
