I'm probably under MY Met and I WILL return your call.

I would like to donate an item(s) for the raffle and/or live/silent auctions.

I would like to consign items for sale on the swap meet tables.

**Please attach a note with your name on it describing the(se) item(s) to your registration form.**

The members of the Pacific NW Met Owners Club and British Columbia Mets invite you to "Come Play in Our Yard" in the beautiful Pacific Northwest!

We want to make this the most exciting MOCNA International EVER!

Come with us as we tour and play in Western Washington. We will be staying at the beautiful Shilo Inn in Tacoma (it's puppy friendly!), about 30 minutes south of Seattle.

We know that many of you will be traveling quite a distance to attend this event, and we're determined to make this an International that you will never forget.

We've put together a framework to fill four solid days with great places to go, things to do, and beautiful vistas to relax in. Some folks like to arrive early – we'll be ready to welcome early arrivals Tuesday afternoon, and we'll be there to support you after the event until the last tailpipe disappears into the sunrise! (Assuming most of you will be heading East...)

Wednesday and Thursday we will offer two tours to choose from each day: one long (will take most of the day and involve quite a drive to places unique to the Pacific NW); and one short that will leave you some time to do some shopping or sightseeing on your own.

On Friday we will tour the recently opened LeMay "America's Car Museum" in Tacoma. This is one of the world's largest auto museums.

The Museum will be followed up by a little Metropolitan Excitement: "Slow Drags!" Test your skill in the mastery of your speed and steering as you follow a course designed to hit the gas, steer the car – but NOT touch the brakes!

Think you can relax a little on Saturday – uh uh! We will caravan the whole group to the LeMay Family Collection at the LeMay Marymount Event Center to display our Mets by judging classes. While there you will tour the Family Collection of cars, trucks, motorcycles, trains, tractors – Wow!

We'll cater lunch so you can take part in our Valve Cover Beauty Contest and Valve Cover Races – I swear – some of those valve covers move faster off the Met than they do on!

Music, swap meet, vendors, racing, and cars – oh yeah – and FREE LUNCH! (well, sorta...).

Saturday evening we will return to LeMay Marymount for our Banquet, awards, and auction. We will be dining surrounded by cars collected by Harold LeMay over his lifetime – this is, after all, a collector car event!

Visit our website [www.pnmoc.org](http://www.pnmoc.org) often for updates. We'll give you tips on building a Valve Cover Racer, provide the racing rules, update the itinerary, and give you some ideas on how to make your "Road Trip" so enjoyable that the miles just slide by! There are so many things to see and do in this wonderful land of ours - but they are disappearing with every passing year (Dale missed out on the worlds largest pile of used oil cans in Casselton, ND because it closed just last year....).
